The Industrial Soccer League of Victoria has as its main object the welfare and encouragement of amateur soccer between teams associated with or sponsored by industry and commerce.

A small number of factory teams in the eastern suburbs who played occasional matches for recreational purposes were united when the late Ron Clift instigated the Mooroolbark Works Cup, an event which proved to be so popular that it created a demand for a regular organised competition between the clubs.

Twelve teams banded together to form the Metropolitan Industrial Soccer League, the forerunner of the I.S.L.V., with Bert Petrick as President and Fred Habbe as League Secretary, a position he held for the first 5 years of the League's existence. Despite many trials and tribulations in those early formative years the League established itself as a force in the soccer world and gradually grew in strength and numbers, 20 teams in 1972, 24 teams in 1973, 30 teams in 1974, after which the League changed its name to the Industrial Soccer League of Victoria.

The League has been fortunate in being able to attract experienced people with a progressive outlook to serve on its Management Committee. Since its inception the League has published a weekly newsletter which is sent to all Member Clubs detailing results, league tables, match reports of comments and other items of interest and information to its members. For two years until 1977 the League broadcast its own radio programme on 3ZZ which was appreciated by all soccer followers. Many local and overseas soccer personalities spoke on our programme, and in some instances we were able to introduce players and officials to our listeners who would not otherwise have been heard.

The League adopted the 'Penalty Points' system as its disciplinary code in 1976 and was the first league in Victoria and probably Australia to do so. This method of dealing with playing offences was also adopted by the Phillips National League when it was formed a year later.

Because of the continued growth of the I.S.L.V. it was decided to form an Accredited Branch of Referees in 1976 to look after the interests of the League and relieve some of the administrative load on the V.S.F. The League supported the Branch by providing a secretarial service and financial assistance and has continued to provide these services ever since.

Another change which took place in 1976 was the adoption of a League system that is employed by some European countries, whereby a club may field more than one team in the same league but not in the same division. Concurrent with this a pyramidal league structure was incorporated in preference to the chain system thereby reducing the time it could take a new League Member to reach first division status. These modifications in the league arrangements have allowed clubs to expand in size and has also increased the competitiveness of the League particularly in the Premier Division.

1976 proved to be a revolutionary year in yet another way when the League established its own premises in Springvale, recently the League Office was moved into more commodious premises in Caulfield.

The League has its own knock-out Cup Competition, the various rounds of which are played progressively throughout the year culminating in the Final at the close of the season. The competitiveness of this Cup Competition can be illustrated by noting that teams from every division have reached the final and in 1974 a Division 3 team actually won this coveted trophy.

Last season the League ventured into representative soccer and played matches against the Bendigo and the Western Victoria Leagues, both of which it won. The formation of this team and the possibility of being selected to represent the League has provided a target for every player to aim at.

That the policies adopted by the League in previous years have been the correct ones is emphasised by the continuing growth and popularity of the League. Seventy teams are currently competing in its competitions but no review of the League's achievements would be complete without a word of thanks to the League's Sponsors whose generous support in this and previous seasons has provided the trophies for the various competitions.

It should be acknowledged that our Sponsors, Cadbury Schweppes, Continental Distillers, Courage Australia and Philip Morris have, by their support, contributed to the League's success.

As the only senior amateur league operating under the banner of the V.S.F. in the Metropolitan area, the I.S.V.L. caters for the needs of those players who wish to play soccer of a high standard without the necessity of having to join a professional club. That the League will continue to prosper is quite certain as long as it has enthusiastic clubs and dedicated people at all levels of its administration.

The Bendigo Soccer League continues to grow but at a less rapid pace than in previous years. One of the most important developments was the establishment of a Bendigo City S.C. to compete in the second division of the Provisional League. Few would remember that Bendigo had a similar team in the same league between 1956 and 1966. Closer to home the B.S.L. balanced the loss of Seymour S.C. to the Northeastern League by accepting a new club, the Bendigo Old Boys S.C. composed of the early founders of revitalized soccer in Bendigo.

The 1977 season was an exciting tussle between last season's winners, Golden City, and second-ranked College. City led all the way only losing its top position in the week of postponed matches when College, with a game in hand, defeated Castle-

maine. City took out the League Cup honours with College second best. At the end of the season, as Golden City tired College took out the Knock-Out Cup by defeating the most improved team of the season, Colts United. As in the past the indoor 5-a-side competition proved a wide open affair with many top teams falling by the way-side. This year saw Castlemaine nudge out hard-fighting Kyneton for honours.

There were many individual honours awarded during the year. One of the most popular choices for the George Gerry Player of the Year Award, Tony Lugano of Strathdale S.C., easily outpolled his nearest rivals. Chris Ricketts, College's amazing centre-forward, won the leading goalscorer award for the third year in a row.

The Bendigo Soccer League will be more open in 1978 due to the loss of top players in many of the leading teams. The fact that better players will be with the Bendigo City team on Saturdays should even-up competition on Sunday when the League fixtures are held. The B.S.L. is confident, however, that it will continue to dominate the inter-League games with neighbouring teams and acquit itself well in Provisional League play.

## VICTORIAN WOMEN'S SOCCER ASSOCIATION

The Victorian Women's Soccer Association was formed in 1974 and comprised 11 teams in two Divisions, East and West. The Association has gone from strength to strength and this year we hope to field at least 16 teams, 1st and 2nd Divisions with more teams in Bendigo, an affiliated Association.

In August 1974 a State team was hurriedly selected to take part in the first Interstate Championships in Sydney, Victoria, hard with injuries and lacking the experience of the other states who had been formed for up to ten years earlier, came last out of the five states competing but were presented with a special trophy for "A wonderful effort".

In Queensland in 1975, Victoria moved up to fourth position out of six states and two players, Andrea Martin and Janet Melvin were chosen in the best Australian XI.

Victoria was host state in 1976 and were Runners-up to N.S.W., being the only state to hold N.S.W. to a draw. A. Martin and J. Melvin together with Jan Indian were again chosen in the Australian XI with Monika Werner chosen as best Goalie of the series.

In 1977, after the Interstate Championships in W.A. 24 girls were picked as an Australian Squad. Victoria had 10 representatives — A. Martin, J. Melvin, Shona Bass, Hazel Donovan and M. Werner. From the 24 girls chosen, a team of 10 will be selected to represent Australia in the first Euro-Asian Cup for women to be held in Hong Kong in August 1978 with teams from Australia, Belgium, France, Italy, W. Germany, Hawaii, Canada, England, Indonesia, India, N. Zealand, Thailand and Hong Kong.

We received recognition and Affiliation with the V.S.F. in 1975 and play to the same time and rules as men.

Several players have taken Referees courses and passed V.S.F. Coaching courses and film sessions are held and are reflected in the higher standard of play.

### Altona City

Altona City, after an indifferent Ampol Cup campaign improved dramatically under the astute coaching of experienced Joe Wilson and could be well satisfied with a final fourth place in their first State League season.

A resolute defence, in which Hans Van der Poel and Bobby Gramsbergen were outstanding, coupled with a lack of fire-power characterised the first half of the season, when eight of the games were drawn, but Altona were beaten only twice in the second half, and the last five games saw them pick up nine points, to place Frankston City for fourth place and a berth in the State League Cup.

This improvement was achieved despite the loss of clever mid-fielder Alby Brown who returned to Scotland for health reasons. His absence was partly offset by the improved form of top goal-scorer Bob Taylor who scored ten of his eleven goals in the last ten games.

With Joe Wilson retained as coach, Altona can look forward to an even better showing this season.

## London

Essendon fans had to contend with two big form reversals last season. First they saw their team convincingly win the Ampol Cup, but then came a big slump, with the departure of John Gardiner and Ivan Grujicic. Of the first eleven games, six were lost, three drawn and only two won.

The arrival of ex-Croatia stalwart Duncan McKay from Perth to Perth and Alan Kerr and George McMillan, also from Perth, as players changed all that, however.

McKay, aided by the acquisition of John Kennedy and Howard Andrews from Hellas and Steve Kokoska from Sunshine City added together a combination that won six and drew one of the eleven games and stormed up the table into seventh place.

Davidson also gained the services of a very smart forward in Alan Davidson, a member of the New Zealand World Cup squad in the last five games, and with other acquisitions in the offing, Henson could be a threat for the League title this season.

PTY. LTD.**

**Office-bearers 1978**

Board of Directors: H. Gussenhoven (Chairman), L. Smith (Secretary), J. Barclay (Vice-President), N. Stanley (Lib. Member), Faulkner.

Team Managers: B. Burgess, F. Birkenshaw.

**Club History**

The club was formed as the Hearts of Oak Soccer Club by the late Mr. Prior and consisted mainly of Naval Officers from HMA Cerberus.

Affiliated to the VASFA in 1951 and promoted to Division 2 in 1952, and remained there until 1958 when the State and Metropolitan Leagues were formed when Frankston Town as it was then known was placed in Division 1 South of the Metropolitan League.

Relegated to 2nd Division South in 1959 promoted back to 1st South in 1961 and relegated to 2nd South 1962.

After a further reorganisation of the 1st and 2nd North and South into Divisions 1, 2, 3, and 4, Frankston were placed in the 3rd Division in 1964. Champions of this Division in 1965 and promoted to Division 2 in 1966 where they remained until 1970 when as runners up they were promoted to Division 1 for 1971. In 1977 when four State League clubs joined the Philips Soccer League, they were admitted to the State League.

**Club ground**

North Seaford Reserve, Railway Parade, Seaford with another ground for training and juniors at Centenary Park, McClelland Drive, Frankston.

**Club colours**

Gold and blue shirts, blue shorts and socks.

**Frankston City**

Frankston City, along with Altona City and Essendon, found itself thrust into the State League possibly before it was ready, but nevertheless performed very creditably in finishing fifth, missing out on a final four position only on goal average.

Indeed it was the early pace-setter, with an opening spell of three wins, three draws and only one loss, and in that span of three games, conceded only three goals.

Whilst the strength of the side was in its tall, resolute defence, with Sandy Irvine, Bobby Adams, Eric Gillespie and Norm Campbell outstanding, the club also acquired shrewdly, notably, Keith Webster from Fitzroy, Andy Savage from Hellas and late in the season, Tulloch from Scottish Junior Soccer. The unfortunate loss of Andy Savage with a broken leg after only ten games robbed the attack of a lot of sting, and probably cost a final four berth.

This season, under newly appointed Brian Edgeley, Frankston should improve its standing, and could be up with the leaders.

**George Cross Courage**

George Cross Courage won its first ever State League title, and by the handsome margin of seven points, thanks mainly to an unbeaten run of sixteen games. Altona City finally beat them on August 17th, and four days later Sunshine City repeated the feat for the Cross' only other League loss. George Cross' only cup defeats were in the semi final of the Ampol Cup to Essendon and in the semi-final of the Dockerty Cup to Juventus, the eventual winners of the Cup.

This outstanding successful season was achieved with a very small squad, that was only altered by the broken collar-bone suffered by Norm Maitland, and Robert Cullen's suspension. Most of the firepower was provided by the dynamic Ken Reed, who burst on the scene with a hat-trick against Doncaster Rovers in the Dockerty Cup and finished with 23 League goals. Billy Wilkinson as player-coach, built on Ken Wagstaff's foundations and with him at the helm again Cross could prove formidable opposition this season.

### Club History

Ajax Soccer Team was founded in 1955 by Mr. Harry Moakes who had migrated from Malta. In those days soccer was not much thought of in Melbourne let alone in St. Albans. But when Harry Moakes was told that a number of boys wished to play soccer football he did not hesitate and a team of juniors was formed.

A name had to be decided upon and Harry being from Floriana in Malta and having such fond and memorable thoughts of the famous Ajax under 18 Team back home that he did not hesitate to name the side "Ajax", and to also introduce those now famous colours of Green and White.

The first President was Mr. G. Cassar, committee members were Martin Camilleri, Charles Psaila and Paul Azzopardi.

The first year was spent in playing friendly games, and in 1956 the team was affiliated with the Victorian Amateur Football Association and competed in the under 13 junior league. It performed creditably and finished second on the ladder.

The following year saw the same side competing in the under 14 competition, finishing third.

In 1958/9 two teams carried the Ajax colours, an under 15 team and a team of under 13's. Once again the boys gave a good account of themselves, the under 13's were second and the under 15's finished in fourth position.

In 1960 Ajax fielded a cracker jack under 16 side, their performances were outstanding, they finished the season as champions but a protest over a technicality was upheld and Ajax lost their honours.

In 1961 the team competed in the under 18 competition and won most of their games to finish Runners-up.

Ajax competed in the Second Division Reserves in 1962, their first Senior competition, a lot of heart, plenty of talent and the desire to do well was in their make-up.

The road ahead was slow and hard, full of heart-breaks and obstacles, however, they managed 7th place.

There are many people who deserve credit besides Mr. Moakes, who not only coached the team but also opened his house to them. Mr. J. Sammut who has served a record 8 year term of being president, Mr. F. Kolbl who not only coached and spent time with the boys but he is also credited with having built the present rooms at the Green Gully Reserve. The Grimaud's Family, the Bajona Family, the Gambin Family and the Vella Family and many more deserve a mention. In 1963 Ajax fielded 4 teams and all were successful. The juniors under 10, 12 and 14 coached by Mr. Van Der Sanden, Mr. J. Henry and Mr. Frank Kolbl respectively, all finished second on the ladder. The seniors who were then coached

by Mr. Harry Moakes also finished runners-up and were promoted to 4th Division.

1964 Ajax carried on the excellent work. Meeting stiffer opposition they still maintained their improvement and had another magnificent season. Scoring 70 goals and conceding 26 they managed to win 17 games, drew 3 and lost only 2 for a total of 37 points. They again finished runners-up and promotion to the 3rd Division. 1965 the team highlighted their strength competing in a higher division, they amassed a total of 30 points which in normal circumstances would give them the league, however, they had to be satisfied with third place. In 1966 Ajax managed to get 32 points and second position. So Ajax marched on to Second division. 1966 was also a memorable year for the Ajax Reserve Team. They managed to win the Third Division Reserve Premiership, thereby giving Ajax their first championship pennant to date.

For the next two years the team cemented their place and for two years running held 9th position on the ladder.

In 1969 Ajax became a force to be reckoned with. They won most of their games and had 29 points on the board but unluckily managed third place on goal average. Full of hope 1970 was considered the year, the talent was there, they were keen and determined, but luck was against them, too many suspensions also suffering some unnecessary defeats saw the team running hot and cold all the year and they finished in 5th position. 1971 A Dream Come True — Champions and Promotions to First Division.

Playing in 1st Division 1972 Ajax took the league by storm and finished a remarkable third.

Two years of hot and cold soccer followed and in 1975 we again gave the promotion race a tilt but had to be content with 2nd place.

1976 was to be our year. With massive recruiting programme and two top coaches we won the Championship and Promotion to State League.

### Green Gully

Green Gully fared worst of the four promoted clubs, despite, or maybe because of using the biggest squad, twenty-seven players all told. The Gully's biggest achievement, however, was the opening of its new ground and excellent facilities, which will be a big asset to the State League, with so few clubs having control of their own ground. John Grimsey, who left Polonia before the end of the season, has taken on the coaching job in succession to joint coaches Ian Petherick and Jim Balish, and it will be his task to weld the Gully into a team capable of climbing up the ladder from eleventh place.

### Year of formation 1927

The Hakoah Soccer Club is necessarily the axis around which the  
other sport segments of the club revolve.

Its team has been rebuilt many times, but its senior sides won  
First Division Championships in 1934, 1935, 1938 and 1943.  
Hakoah also holds the record for Dockerty Cup successes, with six  
wins in 1935, 1945, 1953, 1954, 1955, and 1956.

The Reserve team won its League Championships in 1958, 1959  
and 1960, and the Harry Armstrong Reserve Cup in 1956, 1958  
and 1964.

The junior teams have also had their share of successes, and will  
undoubtedly provide players for the future.

### Hakoah-St. Kilda

Hakoah again had a disappointing season, climbing from  
eleventh to ninth in what was generally conceded to be a weakened  
State League. A small playing staff and a change of coach  
mid-season didn't help, but the club had the compensation of  
seeing one of its players, David Baker, win the Rothman's Medal  
for a second time, and another player, Mick Rainey, won a  
newspaper's best player award. Mike Mandalis has been retained  
as coach, but with several players possibly on the move, Hakoah  
will need an injection of new players if it is to stave off relegation.

### Ground

Olympic Park.

### Club Colours

Black and white striped shirts, black shorts, white and black socks.

### Juventus

Juventus, after finishing tenth in the previous season, showed considerable improvement to end up in third place and also win the Dockerty Cup. Coach Bob McLachlan transformed the team with seven shrewd buys, and often Juventus played the most attractive Soccer in the League. Mick Watkins won the Bill Fleming medal and many shrewd judges thought he was unlucky not to win the Rothman's Medal. If the team is kept more or less intact, Juventus could be a very hard combination to beat under new coach Bobby Thomson.

## POLONIA MARIBYRNONG SOCCER CLUB

club's history, won Dockerty Cup and "World Cup" (now  
defunct).

State League Cup winners 1960.

Ampol Cup winners 1963 and 1964.

Australia Cup runners up 1963.

### Club Ground

Maribyrnong Reserve, Raleigh Road, Maribyrnong.

### Club Colours

Red shirts, white shorts and socks.

### Polonia Maribyrnong

Reprieved from relegation at the end of season 1976, Polonia  
only confirmed the form by finishing last again, this time to be  
relegated. The season opened disastrously, with only two points  
being won from the first thirty-two, but, ironically, when it was too  
late, the team playing some polished Soccer, collected six points  
from the last six games, including a scintillating 4-0 over Green  
Gully at Olympic Park.

If the club is able to keep the same combination, Polonia should  
be strong contenders for promotion from the Metropolitan League  
at the first attempt.

### Prahran Slavia

Prahran Slavia had its best season in the State League, despite a massive upheaval in the tenth-round, when seven first team players refused to play against League leaders George Cross Courage.

The reshuffled team made a valiant effort to catch George Cross, but losses to Juventus and then the Cross were too much to overcome, and in the clubs' final meeting, George Cross denied Prahran Slavia a trophy by winning the State League Cup Final.

Coach Ken Kontra has been succeeded by ex Slavia stalwart Tommy Randles, who has just returned from New Zealand.

## RINGWOOD CITY SOCCER CLUB

President/Secretary: J. Van Hoboken  
Vice President: J. A. Van Hoboken

### Club History

Founded 1953 and affiliated with VASFA the same year. In this year played only half a season and still finished runners up. Champions Division 4 with only one loss in 1954. Undefeated Champions Division 3 in 1955. Undefeated Champions Division 2 in 1956. Holds record for largest number of goals scored, 154 in 18 games in 3rd Division. Promoted to Division 1 for 1957 — this became the State League in 1958. State League runners up 1958. Champions of State League 1959. Relegated to Division 1 Metropolitan League for 1967 and promoted back to State League at end of that season.

### Cup Honours

"World" Cup 1957. Dockerty Cup 1958. Harry Armstrong (Reserve) Cup 1961, 1969, 1971, 1972. State League Cup 1961. Ampol Cup 1962.

### Club Ground

Jubilee Park, Reilly Street, Ringwood.

### Club Colours

All tangerine.

### Ringwood City

Ringwood started off with two losses, then along came a player named Scott, who banged in four goals against Essendon and followed up with four more over the next five games. Alas, having helped Ringwood to win three of his six games, Scott departed just as abruptly as he had come, but a bit of the magic must have rubbed off, for Ringwood picked up seven points from the next four games, and went on to finish eighth, with twice as many wins in 1976. This was despite players coming and going and the grievous loss of Phil Williamson with a broken leg in the eleventh round. Jovial coach Freddie Bunce will be looking for further improvement this season.

1. Date of foundation 1953. Affiliated 1953.
2. Players with 200 or more appearances: M. De Bruyckere, M. Pye, R. Ward, S. Steele, N. Van Egmond, C. Matheson, A. Heimers.
3. Coaches — M. De Bruyckere, K. Kontra.
4. Leading goal scorers during club's existence: W. Benedict, J. Keuken, M. De Bruyckere, W. Pickerman, P. Ollerton.

5. Our greatest achievements — in 1953 we played half a season only and still finished runners up. We were premiers with only one loss in 4th Div. in 1954. Undefeated premiers of 3rd Div. in 1955, undefeated premiers of 2nd Div. in 1956. This means we played 56 games undefeated. The club is also, we believe still holding the record for the largest number of goals scored in 18 league games viz. 154 when we played in 3rd Division.

6. Player who has scored over 100 goals — T. Keuken.

7. Home ground: Jubilee Park, Reilly St., Ringwood. Only State League Club which has unrestricted use of a specific soccer ground on Council land which club built at own expense. Completely floodlit.

Chairman: Mr. S. Frew.

Dep. Chairman: Mr. A. Aleksic.

Secretary: Mr. R. Pocock.

Asst. Secretary: Mr. T. Walker.

### Club History

Sunshine City was formed in 1950, after playing under the name of Western Suburbs for 4 years previously. The name was subsequently changed to Sunshine City Sports Club in 1973.

During the past twenty-seven years only once did we drop below the first division, this was in 1965 but were immediately promoted the following year.

In 1974 the club realised its ambition and was promoted to the State League after narrowly missing the honour many times. After three years in Victoria's top division we have become, what is generally considered, one of the strongest and most progressive clubs in the State.

### Club Ground

The ground, known as J.G. Chaplin Reserve, is situated in Anderson Rd., Sunshine.

It can easily be reached by private car from the Ballarat Road.

Public Transport to the ground is good and Sunshine Railway Station is only a quarter of a mile away.

## **Sunshine City**

Having finished sixth in '76, Sunshine City can be said to have failed to improve in '77, finishing sixth again, with only one point more. Coach Bob McLachlan was succeeded by Billy Cree, but there were player problems and no adequate replacement was found for Steve Kokoska after his transfer to Essendon. When Cree left near the end of the season, 1974's coach Jim McIntyre, returned as caretaker coach, and the team looked a good final four prospect, but losses to Altona and then Frankston were crucial and Sunshine missed out by a point. Bill Walsh, with a distinguished career with Manchester City, Eire and the New Zealand National Coaching job behind him has taken the coaching position.

### February

- 9 Branko Buljevic, Footscray's World Cup forward, seeks a transfer.
- 12 Israel draws with Australia 1-1 in a tough game at Olympic Park.

The transfer season hots up with Green Gully paying \$5,000 for Tony Hamill from Altona City and Mooroolbark placing last year's National top goalscorer Graham French on the transfer list.

At the same time, Mooroolbark announces that plans to amalgamate with Ringwood City have fallen through.

The crowd's ire is aroused as referee Tom Stirling sends off World Cup hero Jim MacKay after first sending off Peter Ollerton.
- 5 Ampol Cup favourites Essendon Lions score seven against luckless Ringwood City, whilst Juventus topples 'B' Section leader George Cross. After the game, Steve Walker signs for Juventus, whilst Ulysses Kokkinos of Juventus is rumoured to be going to Fitzroy Alexander.

## PRAHRAN CITY SOCCER CLUB'S 70th YEAR IN VICTORIAN SOCCER

Prahran City was one of the founder members of 'The Victorian Amateur Soccer Football Association' in 1908. Of the founder clubs, Fitzroy Utd., Williamstown, Carlton Utd., and St. Kilda, Prahran City is the only survivor.

Prahran in fact dates back to 1881 when soccer was first played in Melbourne between Carlton Utd., Prahran, Melbourne Rovers and South Melbourne. In 1884 the Anglo-Australian Football Association was formed with a grant from the F.A. of 50 and then progressed to the V.A.S.F.A. in 1908.

Honours have consistently come to the Como Park Club over the years. Some being:—

- 1927 First Division Champions
- 1939 First Division Champions
- 1942 Dockerty Cup Winners
- 1942 First Division Champions
- 1944 First Division Champions
- 1945 First Division Champions
- 1946 Dockerty Cup Winners
- 1947 Harry Armstrong Cup Winners
- 1968 Third Division Champions
- 1969 Second Division Champions
- 1971 Federation Cup Winners

Prahran City are now members of the V.S.F. and play in the Metropolitan Third Division. Over the past three years City have finished in the top four teams every year, the closest being in 1976 when they missed promotion by four goals finishing equal second to Eltham.

The club wishes to thank all of the administrators and supporters over the years, familiar names to many include:—

- Walter Tunn (A member for 30 years)
- Jock Halley (Life Member)
- Stan Graham (Life Member)
- Colin Seedy (Life Member)
- Norm Kitely (Curator of Como Park for over 20 years)

This year's committee for the 70th year are:— President — Peter Crawley; Secretary — Charles Hobday; Treasurer — Paul Howes; Publicity Officer — Peter Richardson; Committee Members — Bill McCloud and Joe Koba.

Prahran City now run their own competition with the backing of the V.S.F. called the Como-Cup which is now in its 10th year, a sign that Prahran City will still be around in 1981 to celebrate its 100th year of soccer in Melbourne.

## COBURG SOCCER CLUB — 1918-1978

Coburg Soccer Club was affiliated with the Victorian Soccer Football Association in 1918. At that time the club played on an old tip site called Hosken Reserve. In 1923 the club moved to Cole Reserve in Pascoe Vale, where rabbits and native animals outnumbered supporters and the nearest habitation was miles away.

Coburg have played at Cole Reserve from that time until 1976, when they moved back to their ground of old, Hosken Reserve. The set-up now being slightly better than in 1918, the Council having put up a \$130,000 double pavilion and a built-in sprinkler system.

Early records of the club were never kept although Soccer House records show the club fluctuating between Divisions 2 and 3 with a place in Division 1 during 1935-37, 1958-61, and in 1969. From 1941 to 1945 most teams were inactive, including Coburg.

A lot of history has been obtained from old members of the club. All the talk at the moment is of how young Australians are playing soccer, but from 1923 Coburg had Australians in their teams. Ted Arrowsmith of Webb Street, Pascoe Vale is perhaps the oldest living ex-Coburg player. He is Australian and was playing in 1923. Later on, in 1935 we had Henry Rhodes, an Australian boy of 13 who played for the club for 15 years before going on to be President for 10 years from 1953-63 and continuing as Patron of the Club for another 12 years — an association of over 40 years. Henry is still a good friend of Coburg and helps out when he is required.

Other Australians and well-known Coburg personalities were Jack Drummond, player from 1939-50 and President from 1951-53, and the Lyons Brothers who played for about 7 years in the 1940's.

Some of the great personalities of the more recent quarter of a century are still with us and in these last 25 years there has been a strong Irish element within the club. The best known of these personalities is Tommy Walker, who after playing with the club from 1951-52 went on to be Secretary for 13 years and then was President for another 6 years. Tommy was President when the initial moves were started with the Council for Coburg to get a new ground. Now all his dreams and ambitions are becoming reality.

Another group of "Paddies" within the club is the Clements family. The late "Pop" Clements was the club's official trainer for longer than many can remember. Sons Billy and Andy are still very active within the club. Billy is Vice-President and Andy is a committeeman. Billy holds a club record of over 200 consecutive games and once played a whole match with a broken wrist. The

remaining two sons associated with the club were Jimmy and Alec, who while not achieving any great heights as players were good workers for the club for 10 years. (The youngest son, Danny was perhaps smarter than the rest — he took up music!)

Of more recent player-members, the most honoured player would be Frank Loughran who represented Australia in the 1950's and won 38 caps. He also played innumerable times for Victoria. In 1962 and 1963 Frank was Captain of the Coburg team which won the Federation (now Winfield) Cup two years in succession.

Bob Malcolm, who has played for 15 years with Coburg holds the club record for 'Best and Fairest' awards. He has won 9 times and been runner-up 4 times in his career of over 375 games with the club. In 1973 and 1977 he also won the Metropolitan League Division's 'Best and Fairest'.

The club now in 1978 is filled with youth, the fruits of the junior teams that the club has run for many years, and both committee and players will endeavour to make this year the start of the climb to higher Divisions.

### **THE ROTHMANS GOLD MEDAL FOR THE BEST AND FAIREST PLAYER 1977**

David Baker of Hakoah St. Kilda emulated the feat of Johnny Gardiner by winning the Rothmans Gold Medal for the second time.

The margin of his win in votes was not as great as his first win but nevertheless it was clear cut. He polled thirty two votes beating by three votes Billy Wilkinson of George Courage.

These two players easily beat off any challenge from any other player there being six votes between second and third place. Three tied for third — Keith Webster of Frankston City, Mick Watkins of Juventus and Jim Train of Prahran Slavia.

The win was also satisfying for David Baker not only did he receive the Rothmans Medal but by so winning received a new Cortina car from Melford Motors.

The presentation of the Rothmans Gold Medal was made by Sir Arthur George, President of the Australian Soccer Federation.
